- *What is the difference between good and great leadership?*
- *Thoughts from famous leaders....*

It is better to lead from behind and to put others in front, especially when you celebrate victory when nice things occur. You take the front line when there is danger. Then people will appreciate your leadership.

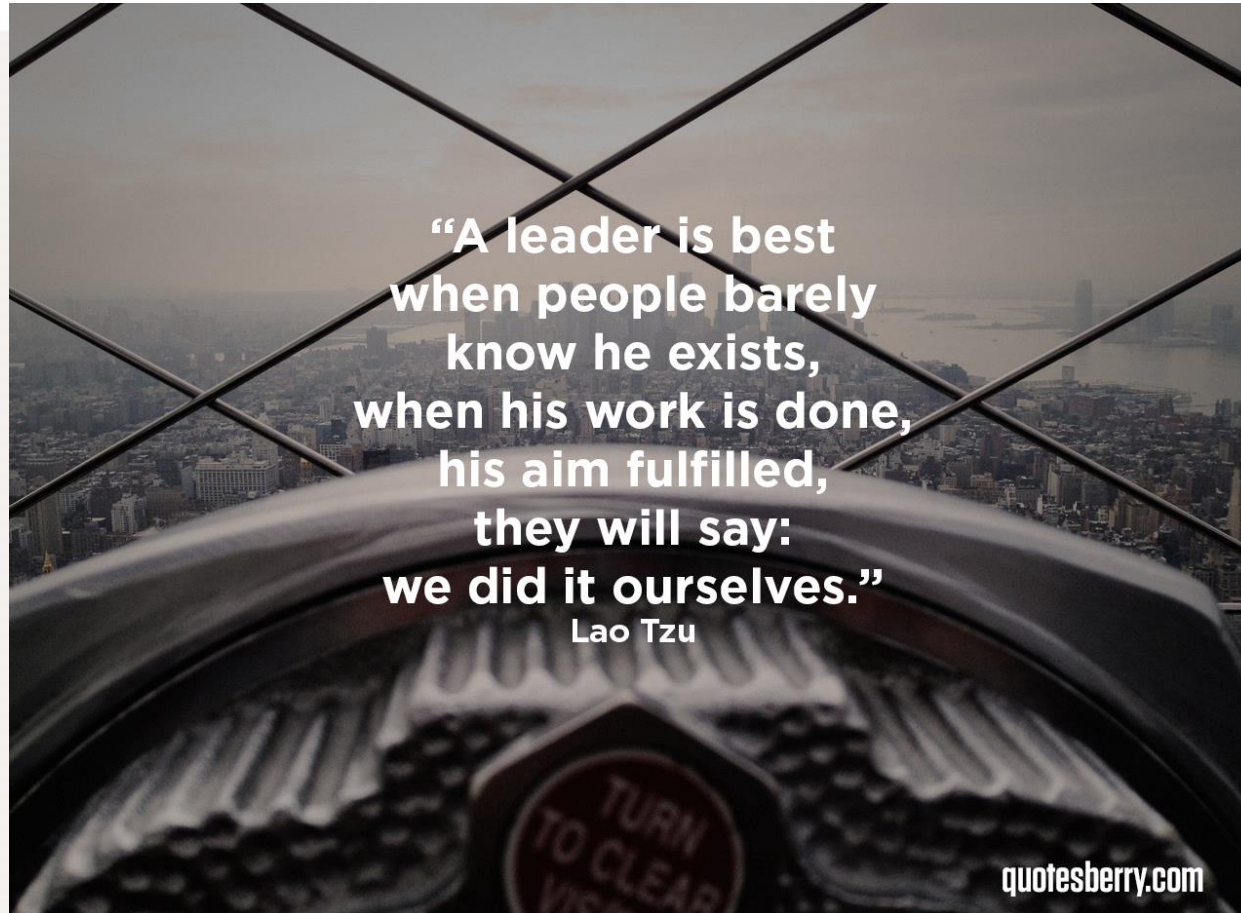

Nelson Mandela

“If your actions
inspire others to
dream more,
learn more,
do more and
become more,
you are a leader.”

-- John Quincy Adams
