WESTIN SOUTH COAST PLAZA COURTESY VEHICLE AIRPORT TRANSPORTATION

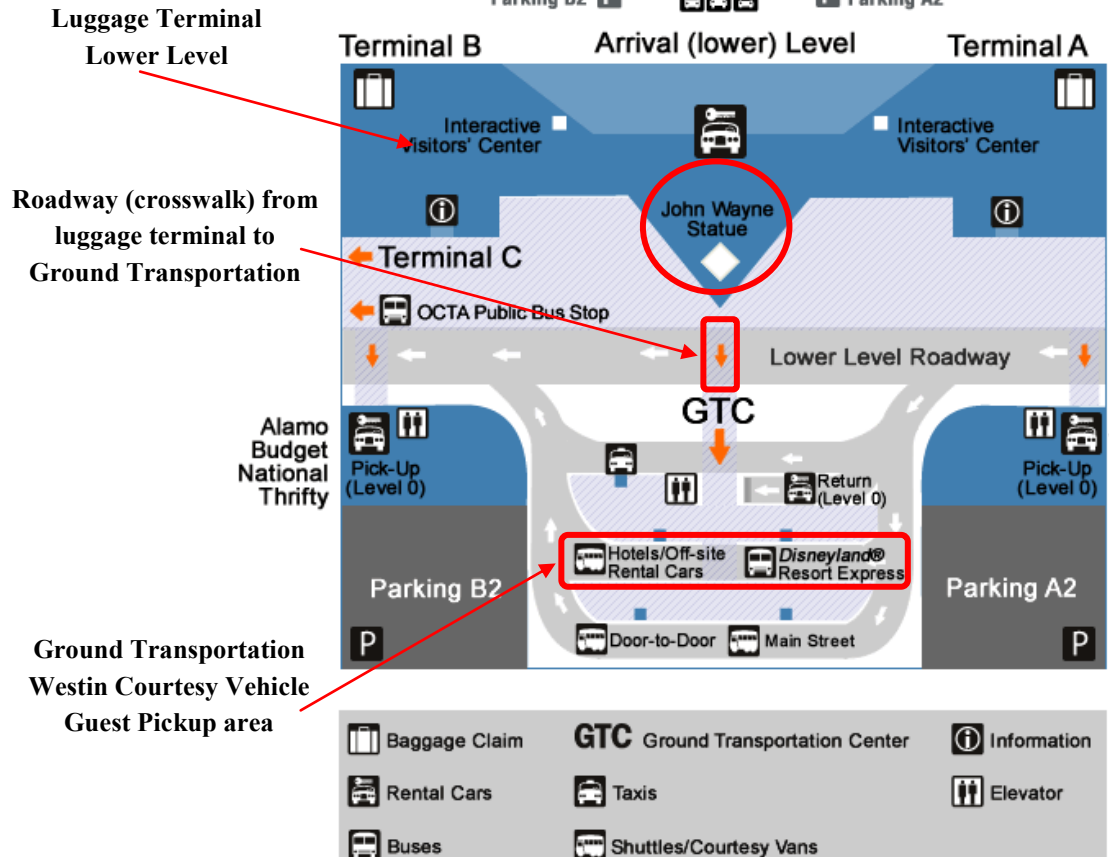

ARRIVAL INSTRUCTIONS

Upon arrival at John Wayne/Orange County Airport, proceed downstairs to the baggage claim area. After retrieving any checked luggage from the carousel, please call the hotel at **714-540-2500**. The hotel operator will confirm that you have claimed your luggage and quote an approximate pick-up time. The wait time will vary depending on the timing of the guest's arrival and whether the driver is on his way to or from the airport. Should a guest wish not to wait for the complimentary hotel shuttle, taxis are available and the fare is only around \$18.

Our **COURTESY VEHICLE** will be waiting in the Ground Transportation Center (GTC) at the approximate quoted time. It is within walking distance from the Baggage Claim Areas on the lower level in the center between Terminal A (Parking Structure A2) and Terminal B (Parking Structure B2). Ground Transportation can be easily reached by crossing the airport roadway at the traffic light near the John Wayne Statue. Once you reach Ground Transportation, please proceed to the middle lane where you will see the hotel shuttles. Our driver will be waiting near our courtesy vehicle, which could be a black towncar, SUV, or shuttle vehicle with the Westin name on it.
