Session format	Breakout
Session title	Seriously? Free help, and money to boot?
Session description	<p>Overheard in the hallway: “Wait, what?” “I said IEPI provides free help and free money! A Partnership Resource Team of colleagues from other colleges with expertise in institutional effectiveness areas that you’ve identified reviews your docs, listens to your people, provides options and examples, helps you craft a Plan to improve, and gives course-correction advice, all over three visits.” “What’s the catch?” “No catch. Your CEO just submits a letter of interest, and after approval the team starts work in the next available cycle.” “What about the money?” “Up to \$200,000 to expedite implementation of your Plan. Come to this session, hear faculty participants share the process and the benefits on <i>both</i> sides, and get your questions answered.” “Done! I’ll be there!”</p>
