What do we hope to accomplish in a nutshell?

Increase the ability of our students

to complete their educational goals.

If you wanted to increase student access to courses, what would you need?

CHANCELLOR'S OFFICE

If you wanted to increase student access to courses, what would you need?

- Classroom Space or More Online Classes

More Online Classes Require:
- Culture shift
- Reduction in costs for technology resources
- Prepared Faculty & Staff
- Prepared Courses
- Prepared Students

Three Main Components

- Resources for Developing High Quality Courses

- Resources for Students

- Technology Resources

CALIFORNIA COMMUNITY COLLEGES CHANCELLOR'S OFFICE

Resources for Student Success

⬩ Focus on student success in online courses by providing students with well designed resources

  ⬩ Tutoring
  ⬩ Readiness
  ⬩ Counseling
  ⬩ Basic Skills Support
  ⬩ Streamlined access

Creating Quality Courses

- Provide professional development resources to faculty
    - Creative Summits
    - Re-designed @ONE courses
    - Participate in a network

CALIFORNIA COMMUNITY COLLEGES CHANCELLOR'S OFFICE

Creating Quality Courses

- Course Design
    - Quality Course Design Standards
    - Course Review

- Instructional Design Support
    - Course Content
        - Clearing House & Team Design
    - Accessibility

The course review is formative not evaluative.

Streamlining Access Using Technology

- Common Course Management System

- The Exchange Idea

- The Portal

- Economies of Scale for Tools and Services

CALIFORNIA COMMUNITY COLLEGES CHANCELLOR'S OFFICE

Common Course Management System!

- REALLY!!!!

What's the Exchange?

- Will allow students needing courses that are not available at their home college, to seamlessly enroll in those courses, as needed, at other CCCs, thereby, leveling the enrollments in high demand or difficult to fill courses.

- Will include access to resources for both colleges and students

- Improve online success and retention across the state.

CALIFORNIA COMMUNITY COLLEGES
CHANCELLOR'S OFFICE

What's the Exchange?

Agreeing to Work Together

OEI Pilot Colleges

Student Readiness Spring 2015	Online Tutoring Spring 2015	Full-Launch (CCMS) Summer/Fall 2015
Antelope Valley	Barstow	Butte
Cabrillo	Ohlone	Coastline
Hartnell	Columbia	Foothill
Miracosta	Imperial Valley	Shasta
Monterey Peninsula	Mt. San Antonio	Fresno City
Canyons	Pierce	Lake Tahoe
Rio Hondo	Saddleback	Mt. San Jacinto
West Los Angeles	Victor Valley	Ventura

What's in it for you?

- You will have access to resources-some for free and others low cost.

- Those who are involved with creating the OEI project have the opportunity to have a voice in what it becomes.

- **The main reason?** You will be helping students in California to complete their educational goals.

A Comment……

"As a participant in the reviewer training this week I am more encouraged and hopeful than I have been for many years about the future of online education in the CC's…This work is so progressive and so positive."
