*Articulation and Transfer Caucus, approved by ASCCC Exec on August 18th, 2023

Purpose of the caucus

The proposed Articulation and Transfer Caucus will serve as a space for faculty to discuss the transfer and articulation impact of pending or passed legislation and regulations. Through these conversations, members will discuss how to voice the caucus' concerns to constituent groups, i.e. through resolutions, rostrum articles, etc. The Articulation and Transfer Caucus will serve to advise the ASCCC on how legislation, regulations, and resolutions may impact student transfer, and on community college policies and procedures related to academic and professional matters, including

curriculum, educational program development, degree and certificate requirements, graduation requirements, and student preparation and success.

Anticipated activities and objectives

1. Hold Meetings at least once a semester to network with articulation and transfer professionals across the State and to discuss issues that might affect transfer students and articulation officers
2. Meet at ASCCC Plenary to discuss issues of concern, pending plenary resolutions and amendments, and to discuss potential actions to elevate areas of concern identified by the caucus.
